Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly upon the blood and mucous surface. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free. P. J. CHENEY & CO., Props., Toledo, O. Sold by Druggists, price 75c. Take Hall's Family Pills for constipation.

Prof. Morris has a wide circle of friends in St. Francois county, who will be glad to learn that he is well, contented and doing nicely in his new field of labor. splendid program was rendered consisting of readings, music, and missionary talks.

When Baby Has the Croup.

When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. Obtainable everywhere. (adv.)

20 POUNDS SUGAR FOR - - - \$1.

Matron's Gold-Medal Contest at the Monarch Friday, Oct. 29.

Last Friday Judge Peter H. Huck left at our office a stalk, or rather a cluster of about 30 stalks of Sudan grass emanating from the same root. The Judge this year sowed a field with Sudan grass seed and the result was surprising. The stalk he brought to us grew from a single seed and some of the stalks in the bunch are more than ten feet in height. It can now be seen at the Herald office. We are told that there are fields of this grass in the neighborhood of Stee. Genevieve from which three crops have already been cut this season and if the frost does not come too soon the fourth growth promises to make good pasture. The grass is without a doubt one of the most prolific grasses known and many who know its qualities say it makes excellent fodder for stock.—Ste. Genevieve Herald.
